I. Your overall feeling after your semester abroad

[Help : How was your experience abroad? If you could go back I time, would you go to this university and why ?]

It was okay, I didn't get to feel comfortable with the Erasmus people or the university students. However, that is my case but in general, the ERASMUS staff where nice, they helped whenever I needed, plenty of events where done, they are verry inclusive, but cultural barriers persist.

I liked the city, Romanian people are very nice and you get to know many beautiful places arrround. The castles and the history behind is incredible.

GRADE : [3]

=> 0 (I do not recommend this semester abroad to my best friend) – 5 (I totally recommend this semester to my best friend)

II. Before the travel

A. Preparation

1. Visa

[Help : Do I need a visa ? If yes, what is the process ?]

Yes, I personally went to the consulat in France. I just filled a form online, sent the request and date, then go to conculat and when you have it,validate it in Romania.

2. The flight

[Help : what flight did you take (the company name, airport etc.) and when did you take your flight ticket]

From the airport of Montpellier to the airport of bucharrest then airport cluj napoca

3. My luggage

[Help : what to not forget in the luggage (what was useful and what you would like to have taken)]

The passport the rest you can buy.

4. Bank account

[Help : did you have to change bank? To respect some amount requirement on the bank account etc.]

No, used revolut

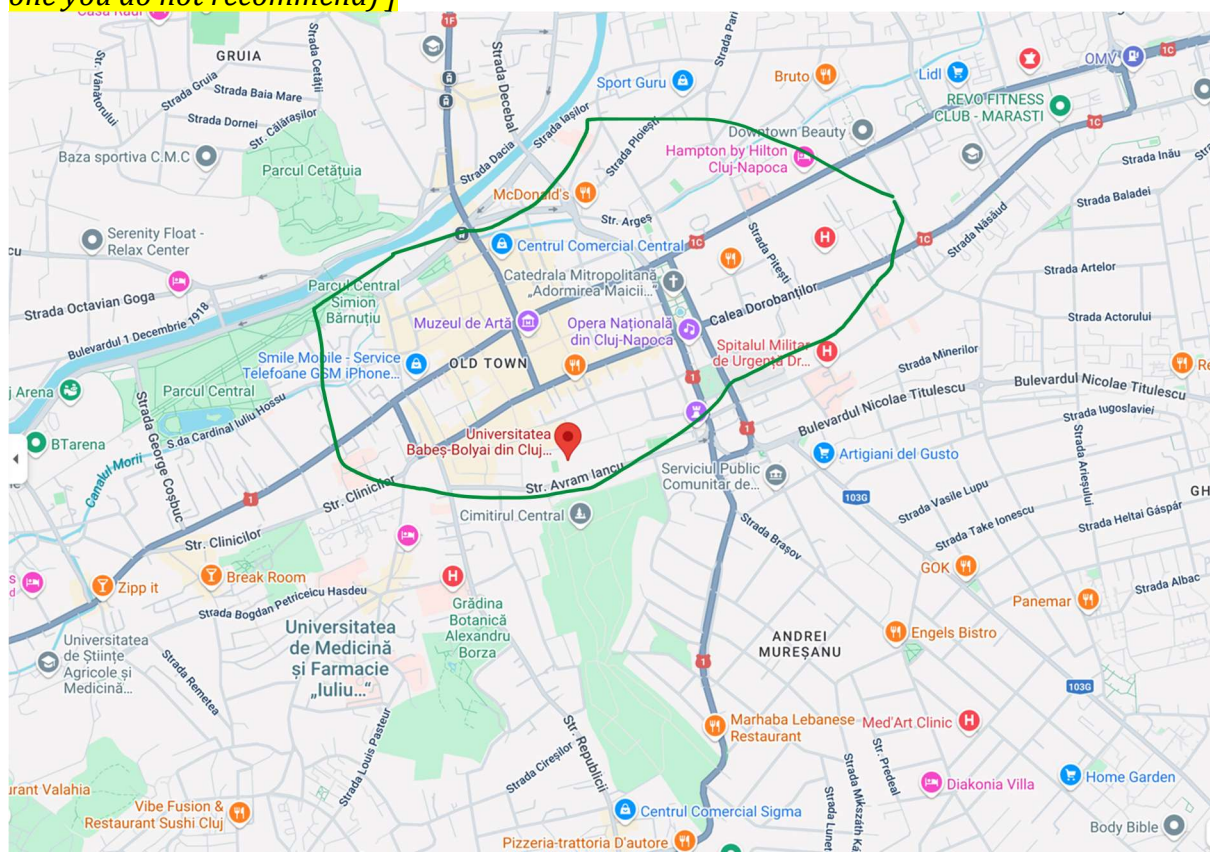

[Help : What insurance did you subscribe to ?]

I didn't I had one

B. Housing

1. Where to live

[Help : Do a google maps capture and circle the area you recommend to live in (and the one you do not recommend)]

I would just recommend to live in this area, it's nice, close to the university and old town

2. Find a flat or a room

[Help : How did you find your flat? Do you have any recommendation]

I went to facebook and look for apartment rentals in Cluj. I found many agents until I liked one

3. Cost

[Help : How much should I plan for a room or a flat?]

I paid 750 eur but there are many that are less than that, around 450-600eur/month

III. When I arrive at the university

A. Inscription at the university

[Help : How was the process, what did you have to do?]

Send the documents that moma requires and set up a meeting with the administration woman

B. Information on the university

1. Class

[Help : for each class tell us how was the class, what did you like and not like, would you recommend it for the next student?]

I loved the classes, in my opinion too easy but they were very interactive and interesting. The teachers were the best. Coming from moma, the teachers are everything. I hated the most part of the teachers in moma.

2. Organization of the Class

[Help : tell us the duration of the class, the volum of work, the behavior of teachers etc. ?]

They usually are divided into seminar and course so in total 3 hours of class, some 1h30. The teachers are the best eventhough it s too easy. No volume of work at all just study for exams

3. List of courses and recommendation

[Help : list your different courses and let us know what do you think : level (easier, same or harder than the 1st semester course at MOMA, what you liked about the content, how is the class organization, who is the professor). Finally, for each class, tell us if you recommend the course.]

Basic accounting → easy and boring

Managerial accounting → nice teacher, nice content but easy

International investment → interesting, the teacher read sall the class so It was boring

International business and trade → really nice

Urban economics and real estate → nice

International economics → very interesting
