

# WORKING WITH QUESTIONS

Below are the ANSWERS. You create an appropriate question.

1 "It hurts mostly in my hip."

*Where does it hurt?*

2 "The oncology department is down the hall and to the right."

*Where is the oncology department?*

3 "From 1 to 10? I would say my pain is an 8."

*From 1 to 10, what is your pain/how much pain do you have?*

4 "I have a long shift today. I'm working from 8 am to 7pm."

*How long is your shift? How many hours are you working today?*

5 "A nurse provides care for patients, diagnoses symptoms and records medical histories."

*What does a nurse do? What are a nurse's job responsibilities?*

6 "She has pain in the right side of her arm."

*Where does she have pain?*

5 "My daughter is fifteen years old."

*How old is your daughter / she?*
