ABBY'S HOSPITAL ROOM – VIDEO TRANSCRIPT TO COMPLETE

Hi, I'm Abby, and I'm going to _____ you _____ my hospital room.

Here is where all of the _____ is. The computer where the nurse types in everything I _____, _____, and how long I _____, things like that.

Here is where she puts some of the stuff. These are put on me to _____ my _____ and I am monitored by this little machine that this is _____. It gets a signal and monitors my heart.

Here is everything, all the equipment the use.

Oh, and here's my _____ and all the stuffed animals I got. Lots of them that I got for presents are at home.

Over here that's just kind of moveable little, _____, it's called a _____, it's like a _____. They haven't had to use that though.

Here their _____ and where they put old: _____.

And here is the welcome board. My caregivers for the day are called Linda and Erica, during the day. My physician is Dr. Burkhart.

I have to take 4 walks. And actually I already took my 4th one. Done.

Now this is the TV they had to _____ in because it has a DVD player, and the other one – this one – didn't have a DVD player.

Here's where I keep most of my cards. A lot of them are at home like I said. That calendar needs to be changed. It's June 1st.

Here is where I keep different food things, and I pull this out, and the tray comes out and I eat.

And this is where Mom and Dad sleep during the night. They _____ that _____ and put that here and put that over there.

This is Daddy's favorite _____. He likes it because it can fold out, both ways, and go really long and really comfortable.

And then there's, the bathroom, which nothing is really exciting about it. It's just a bathroom. Ta da.

And that is my hospital room.
